

Getting Started

With The Angier Team

Looking to purchase a home? Your first step in the process is to get pre-qualified – this will give you an idea about how much you can afford. The best way to do this is usually with a 15-20 minute phone call where we can discuss the details of your purchase, your finances, and loan options available. I can then answer any initial questions you have. From there, you'll complete an online pre-qualification and send in some basic documentation for review, at which point we will reconnect and talk through any questions we have and about your loan options.

To complete the online pre-qualification go to www.theangierteam.com, it will take you to a secure website where you can begin. The pre-qualification website also provides a secure upload portal to submit your documentation; below is a recommended list of items:

- Your most recent 30 days of paystubs
- Your two most recent years W-2's and/or any K-1's you may have received
- Your two most recent years Federal Tax Returns
- A legible copy of your driver's license

In the interim, should you have any questions or need any other assistance please do not hesitate to contact me. We look forward to assisting you with your new home purchase!

Thank you,
